2016-2017 Cost of Attendance Adjustment Form

Student’s Name ___________________  Student ID Number __________________
(Please Print)

Reauthorization of the Higher Education Act of 1965 has allowed for increasing your Cost of Attendance based on the following issues. Please understand that this is only a Cost of Attendance adjustment and any amount of additional financial aid that may be received is subject to Federal Regulations.

Mark Appropriate Box

□ Personal Computer purchase

You are allowed a Cost of Attendance increase for the purchase cost of a personal computer. This will be a one-time budget increase during your entire period of enrollment at the University of Arkansas. A copy of your receipt for the purchase of your computer is required.

By signing this form you are indicating that you have requested your cost of attendance to be adjusted to include the purchase of a personal computer and any required additional items (printer, software, etc.).

Type of Computer: ___________________

Place of Purchase: __________________

Date of Purchase: _________________

□ Child/Dependent care expense

You are allowed a Cost of Attendance increase if you pay day care or after school program expenses for dependents. If more than one family member is attending the University of Arkansas, only one person per household can claim the Cost of Attendance adjustment for these expenses.

List the name(s), amount(s) paid per month and number of months during your enrollment for which the expense will be paid for the dependent(s) you are supporting.
